Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for **the Chicago Police Department Reconfiguration of Squad Car Technology** in fiscal year 2024. The entity to receive funding for this project is **the Chicago Police Department**, located at **3510 S. Michigan Ave Chicago, Illinois 60653**. The funding would be used for **new configuration for the squad car radios, computer screens, and keyboards to create a more ergonomic experience for officers**. The project is an appropriate use of taxpayer funds because **reconfiguring the technology within the squad cars will allow officers to complete reports in the field and reduce unnecessary trips back to the station as well as improve there visibility and posture in squad cars**.

The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mike Quigley
Member of Congress
